

June 2019

Dear Third Grade French Dual Language Families,

Welcome to the third grade! We are very excited to be working with you and your children. It is sure to be a productive and rigorous school year. Third Grade is very important because we will be preparing your children to take the NYS ELA and Math Exams in the Spring of 2020.

We are asking each child to **read in English and French** over the summer because research has shown that students can drop two reading levels if they are **not** reading. Also, practice math skills in the packet provided **and** memorize multiplication facts.

To ensure your child is prepared for the first day of school, we are sending home this supply list. **Please send the personal supplies** with your child during the **first week of school**; **send cluster supplies** the **second week of school**. The **other class supplies** should be **sent by Oct. 1st**. Our first day of school will be on September 5, 2019. **Be sure to label all supplies with your child's name prior to coming to school.** We are an eco-school. Please consider shopping locally.

Thank you,

Third Grade French Dual Language Teachers
