

June 2019

Dear Third Grade Families,

WELCOME TO THIRD GRADE!!!! We are very excited to be working with you and your children. It is sure to be a productive and rigorous school year. Third Grade is a very important grade because we will be preparing your children to take the NYS ELA and Math Exams in Spring of 2020.

We are asking each child to **READ** over the summer because research has shown that students can drop two reading levels if they are **NOT** reading. Also, practice addition and subtraction facts.

To ensure your child is prepared for the first day of school, we are sending home the supply list in June.

Please send the personal supplies with your child during the **first week of school**; **send cluster supplies** the **second week of school**. The **other class supplies** should be **sent by the third week of school**. Our first day of school will be on September 5, 2019. **Be sure to label all supplies with your child's name PRIOR to coming to school.** We are an eco-school. Please consider shopping locally.
